Our dear Dilinyer Alexander Salas Jr., who we affectionately called “Dili”, was born on December 4th, 2024 in Payson, Utah. He passed away January 31st, 2025 in the Payson Utah hospital.

In his eight weeks on earth, Dili changed the lives of his parents, family, and friends forever. Just peering into his little eyes could give you a glimpse of heaven. He loved

drinking milk and being held in our arms. He also loved making us laugh by farting and burping after a cute little wiggle.

Dili temporarily leaves behind us his parents Rachel Carver Salas and Dilinyer Salas Sr. He also leaves behind his grandparents, aunts and uncles, and cousins. All of which love him immeasurably. When Dili passed he was warmly and lovingly welcomed into the arms of his grandpa Alan Carver.

We anxiously await the day when we will be able to hold Dili in our arms. He truly blessed us with his presence and we can't express how much we can't wait to be with him again.

Our precious Dili had a way of teaching us lessons we will carry with us for our whole lives. He was born into the covenant that we made with God and each other. That covenant allows us to be hopeful that we will be with our baby boy once again. We trust the promise we have from God that we can be together forever and that our reunion with our sweet little boy will be joyful.

We feel so privileged that this little angel would come down from heaven and choose us to be his parents. The pain of losing Dili is a reminder of how much we love him and will cherish the precious memories we have of him. In this difficult situation we have been able to find peace from the spiritual foundation we have built on Jesus Christ. We have been building that spiritual foundation by serving in the temple of the Lord.

One of the biggest things we have stored in our mind is that our cute little Dili was too perfect for this world. We have been blessed with the willingness to accept God's will of taking him back to His presence.

We know Dili will be our baby boy forever and we will never stop loving him. We also want to thank family, friends, and everyone who has made the effort to pray, think on and support us in any way.

With love the Salas family
