Volunteer

of the month

June 2019

Hannah Tervort

Thank You For Your Service!

Hannah Tervort is an awesome volunteer for Santaquin. She volunteers to run the Miss Santaquin program each year and has done so for the past six years. This takes a lot of time and is a year-long project that she does with a smile. She works so hard with the young women who try out and

those who win. On top of running the pageant, she coordinates the bounce houses for our Orchard Days Family Night. The time and energy she puts in for Miss Santaquin is commendable. Hannah is married and has two children. She resides in Nephi. Thank you Hannah!

Dear Santaquin Residents and Friends,

I had the honor and pleasure of attending this year's Memorial Day program at our cemetery and wish to express my appreciation to all those who put on this wonderful program. I am so thankful to the members of our community who have served in our military, both past and present, and have sacrificed so much to preserve our freedoms.

I also want to express my appreciation to our Fire Department, and to all those who labored to honor our service members with their Annual Memorial Day Breakfast. What a great event it is each and every year for our community to gather as one.

This year's breakfast was especially touching as our Fire Department is in a state of transition. For those who do not know, our exceptional fire chief for the past six years, Chief Stephen Olson, formally announced his resignation from our department so that he can focus on family and his full time career with the Murray City Fire Department. Chief Olson has done a wonderful job in his efforts to enhance the department's overall capability, skills, knowledge and equipment. His plans are to continue to assist with a smooth transition of leadership by staying on with the department through June 30, for which we are very grateful. He will be missed but we wish him and his family our very best.

We are also losing our Assistant Fire Chief Dan Olson who has faithfully served our department for the past forty years. Assistant Chief Olson announced his retirement, which is also effective at the end of our fiscal year. Dan has been a dedicated, loyal and proven leader on our department for decades and his experience will be sorely missed as well. I wish to express my deepest gratitude to both father and son for all they have contributed to build such a great department.

With this change in leadership, we believe it is an appropriate time to chart out the future of the department to determine how best to meet the needs of our rapidly growing community. We plan to take the next twelve months to conduct a study of the department, to develop a five-year strategic growth plan, and to answer tough questions such as "How long do we remain a part-time/volunteer department and what are the appropriate growth thresholds that should be met before transitioning into a full time department?"

During this period of transition, we will continue to need strong leadership from within our department. As such, it was my honor to name Battalion Chief and Paramedic, Ryan Lind, as the "Santaquin City Interim Fire Chief." His nineteen years of experience and dedicated leadership will help carry our department forward over the next twelve months. He is a skilled and knowledgeable leader and he has my full support and confidence. I know he will serve us well and I ask every member of our department and our community to support him in this period of transition.

Mayor Kirk F. Hunsaker
