## 2. GENERAL RIGHTS AND RESPONSIBILITIES.

## 2.1. General Rights and Responsibilities of JD/RG.

2.1.1. **Development of the Property.** JD/RG agrees that the Property shall be developed pursuant to the terms and conditions of this Agreement. So long as JD/RG submits a complete development application consistent with the Site Plan and receives all normally required approvals, it shall be entitled to construct improvements on the Property generally consistent with the concept for development depicted in the Site Plan, or future plans submitted to and approved by the Santaquin City Council, subject to Applicable Law. To the maximum extent permissible under state and federal law, and at equity, City and JD/RG agree this Agreement grants to JD/RG vested rights as that term is construed under common law and pursuant to Utah Code Ann. § 10-9a-509 (2019). The Parties acknowledge and agree that City's agreement to perform and abide by the covenants and obligations of City set forth herein is a material consideration for JD/RG's agreement to perform and abide by the covenants and obligations of JD/RG's set forth herein. Unless otherwise agreed between City and JD/RG vested interest(s) and right(s) contained in this Agreement expire at the end of the Term, or upon termination of this Agreement. Upon termination of this Agreement, for any reason, the obligations of the Parties to each other hereunder shall terminate, but none of the building permits, or certificates of occupancy granted prior to expiration of the Term or termination of this Agreement shall be rescinded or limited in any manner, except as provided generally in the Santaquin City Code. No easements, maintenance requirements, or other agreements intended to run with the land shall expire. The Parties agree that any development of the Property after the Term of this Agreement shall comply with the provisions of the Santaquin City Code for single family residential development.

2.1.2. **Conditions of Approval and Impact Fees.** With respect to the development of the Property, JD/RG accepts and agrees to comply with the impact, connection and building fees of the City currently in effect, or as amended for multi-family developments; the City agreeing and representing that any schedule of such fees will be applied uniformly within the City or service area of the City, as applicable. JD/RG acknowledges that the Property requires infrastructure supported by impact fees and finds the fees currently imposed to be a reasonable monetary expression of exactions for multi-family housing that would otherwise be required at this time.

2.1.3. **Dedications to the City.** The Parties do not anticipate any dedication of the Property to the City. All taxes due or accrued on the above described properties shall be paid by JD/RG. Dedication of any water rights or shares shall be dictated per Santaquin City water dedication requirements for multi-family housing.

2.1.4. **Statement Regarding "Compelling, Countervailing Public Interests."** The Parties acknowledge that they are familiar with the "compelling, countervailing public interest" test that is generally an exception to the doctrine of vested rights in the State of Utah.

2.1.4.1. The City acknowledges that as of the Effective Date, to the best of its knowledge, information and belief, the City is presently unaware of any material

facts under which a desire of the City to modify JD/RG's rights under this Agreement would be justified by a "compelling, countervailing public interest."

2.1.4.2. If, however, it should be determined that there did, in fact, exist, as of the Effective Date, material facts consistent with the exceptions to the vested rights doctrine as set forth in Western Land Equities, Inc. v. City of Logan, 617 P.2d 388 (Utah, 1988), its progeny, or any other exception to the doctrine of vested rights recognized under state or federal law, under which modification of the JD/RG's rights under this Agreement would be justified by a "compelling, countervailing public interest," JD/RG acknowledges that it neither has nor had any vested rights as to any matter arising from or affected by any material facts of which the City was not or could not have been aware as of the Effective Date.

2.1.5. **Construction Mitigation.** JD/RG shall provide the following measures, all to the reasonable satisfaction of the City's Engineer, to mitigate the impact of construction within its Phase. JD/RG shall also adhere to the usual construction impact mitigation measures required by the City. Additional reasonable site-specific mitigation measures may be required. The following measures shall be included in each application for development of any Development Phase:

2.1.5.1. Protection of existing infrastructure improvements from abuse or damage while new infrastructure improvements are being constructed.

2.1.5.2. Mitigation for dust control to protect adjacent properties including orchards.

2.1.6. **Construction of Improvements.** JD/RG submitted a Site Plan to the City describing its plan for development of the Property (the "**Site Plan**") Exhibit B, on November 19, 2019. Final engineering and architectural plans will be submitted to the City and all required approvals for final plans will be properly reviewed and approved if proposed plans meet all requirements herein and all requirements of Development Standards. All utilities necessary for the development of the Property as per final engineering to be approved by the City, shall be constructed by JD/RG, in compliance with the Development Standards. Notwithstanding the foregoing, JD/RG shall also provide the City with complete plans and specifications for the construction of each roadway indicated within the Site Plan.

2.1.7. **Phasing/Timing of Construction of Amenities/Property Management.** The Property may be developed in phases with appropriate parking for each phase, phasing may occur one building at a time. All noted amenities listed in the attached Exhibits shall be included in any final plan approvals. The two pickleball courts and one tot lot shall be built before commencement of construction of the 37th residential unit. The clubhouse shall be built before construction of the 61st residential unit. In developing each phase, JD/RG shall ensure the logical development through each phase, all in conformance with the requirements of this Agreement and the Development Standards in effect when the complete application is filed. The maintenance of the amenities, common space, streets within the Site Plan, procedures for dealing with emergencies, insurance, and other property management issues shall

be set forth in CCR's, HOA, or other management protocols that may be submitted by JD/RG and required by Santaquin City Code § 10-7M-11(K).

2.1.7.1. A proportional (per unit) amount of cash bonding for all amenities, including the clubhouse, shall be paid to the City with each building permit or phase and deposited into a non-interest bearing account to be held by the City until said amenities are completed per approved plans. Upon completion of each amenity per approved plans, partial release of this cash bonding may be released upon written request as provided in the Santaquin City Code.

2.1.7.2. Each individual phase must stand independent of any future onsite or Right-of-Way improvements, including but not limited to; parking, public and or private access, emergency ingress and egress, staging for future phases, etc.

2.1.8. **Compliance with City Requirements and Standards and City Code.** JD/RG expressly acknowledges that nothing in this Agreement shall be deemed to relieve JD/RG from its obligations to comply with all applicable requirements of the City necessary for approval and payment of all applicable fees for a Phase in effect at the time of development approval, including the payment of unpaid fees, the approval of plats and site plans, the approval of building permits and construction permits, and compliance with all applicable building, electrical, mechanical, plumbing, and fire codes, and other City ordinances relating to the placement and construction of the proposed structure, that are in effect at the time the person files with the City a complete application.

## 2.2. General Rights and Responsibilities of the City.

2.2.1. **Reserved Legislative Powers.** This Agreement shall not limit the future exercise of the police powers of the City to enact ordinances, standards, or rules regulating development. The City acknowledges, however, that any exercise of its legislative or police powers which alters or modifies this Agreement to JD/RG's detriment may render the City liable to such remedies as may be available to JD/RG under such circumstances.

2.2.2. **Construction of Improvements on City Property.** All infrastructure improvements for the development of the Property shall be constructed by and except as otherwise specifically described herein shall be the sole responsibility of RG/JD. Utility access in City streets shall comply with Design Standards.

2.2.3. **City Streets and Rights-Of-Way.** The Parties acknowledge and agree that a portion of the required improvements connecting 200 North to Orchard Lane and connecting 500 East to 200 North will be or have been constructed under the CJM Agreement. All remaining construction of improvements to 500 East and 200 North within and along the frontage of JD/RG property along 500 East and 200 North are the responsibility of JD/RG, with the exception of any improvements to be constructed under the CJM Agreement. It is understood that only those portions of

improvements along 200 North as currently constructed have been constructed pursuant to the CJM Agreement.

2.2.4. **City Services.** City agrees that it shall make available (subject to application for service, issuance of applicable permits and payment of connection fees and applicable commodity usage rates) culinary water, sanitary sewer, pressurized irrigation and other municipal services to the Property. Such services shall be provided to the Property at the same levels of services, on the same terms and at rates as approved by the Santaquin City Council, which rates may not differ materially from those charged to other developments in MSR Zone for multi-family housing.

### 3. GENERAL PROVISIONS

- 3.1. **Covenants Running with the Land.** The provisions of this Agreement shall constitute real covenants, contract and property rights and equitable servitudes, which shall run with all of the land subject to this Agreement. The burdens and benefits hereof shall bind and inure to the benefit of each of the Parties hereto and all successors in interest to the Parties hereto. - 3.4. **Consent.** In the event this Agreement provides for consent from the City, or JD/RG, such consent shall be deemed to be given thirty (30) days after consent is requested in writing in the event no response to the request is received within that period. All requests for consent shall be made in writing, and in no event shall consent be unreasonably withheld or delayed. City will use reasonable efforts to process any application for a Development Phase promptly.
- 3.5. **Legal Challenges.** In the event that any person challenges this Agreement or the Development contemplated herein, upon request by JD/RG, or with notice to JD/RG and JD/RG's consent or acquiescence, the City may undertake to defend this Agreement or the Development. In such a case where JD/RG formally consents in writing, JD/RG agrees that it shall be liable for all legal fees, including attorneys' fees, expenses, and/or court

costs incurred by the City upon presentation to JD/RG of an itemized list of costs, expenses, and fees.

- 3.6. **Applicable Law.** Unless otherwise provided herein, the rules, regulations, official policies, standards and specifications applicable to the development of the Property (the “**Applicable Law**”) shall be those rules, regulations, official policies, standards and specifications, including City ordinances and resolutions, in force and effect on the date of submission of a complete application for development.
- 3.7. **State and Federal Law.** Notwithstanding any other provision of this Agreement, this Agreement shall not preclude the application of changes in laws, regulations, plans or policies, to the extent that such changes are specifically mandated and required by changes in state or federal laws or regulations (“**Changes in the Law**”) applicable to the Property. In the event the Changes in the Law prevent or preclude compliance with one or more provisions of this Agreement, such provisions of the Agreement shall be modified or suspended, or performance thereof delayed, as may be necessary, to comply with the Changes in the Law.
