

*A Resolution of Santaquin City  
Proclaiming the Memorial Day Week of May*

*as*

*Santaquin City Senior Citizen's and Veteran's  
Week of Affirmation*

WHEREAS, We, the Santaquin City Council and Mayor, do recognize the tremendous value and contributions made by each Senior Citizen and Veteran who has contributed so profoundly to the building of our great community by literally laying the foundation, brick by brick, to which our community now stands; and

WHEREAS, We quote from our nation's Declaration of Independence that states "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness" and do affirm our sincere appreciation to those who have served and defended our great nation in the protection of those self-evident truths by honoring those recent retirees from our community who have helped us ascertain those rights through their services in the United States Armed Forces; and

WHEREAS, We quote President Ronald Reagan when he said "For all they have achieved throughout life and for all they continue to accomplish, we owe older citizens our thanks and a heartfelt salute. We can best demonstrate our gratitude and esteem by making sure that our communities are good places in which to mature and grow older -- places in which older people can participate to the fullest and can find the encouragement, acceptance, assistance, and services they need to continue to lead lives of independence and dignity."

NOW THEREFORE, be it resolved by the City Council of Santaquin City, in honor of these great men and women who have so faithfully served and continue to serve our community, we do proclaim the Memorial Day Week as "Santaquin City Senior Citizen's and Veteran's Week of Affirmation" and call upon all citizens of Santaquin to observe this week with appropriate ceremonies and activities.

ADOPTED AND PASSED by the City Council of Santaquin City, Utah, this 20<sup>th</sup> day of May, 2015.
