Dear Mayor Hunsaker,

As you may be aware, when citizens shop locally, four times more money stays in Utah's economy than when shopping at a national retailer. Local spending strengthens neighborhoods as it creates local jobs and a sense of community. To help encourage and celebrate local businesses in your city, Local First Utah is excited to announce the 2014 "Independents Week" campaign, taking place from June 30-July 6, 2014. As our nation celebrates its independence, communities across the country will also celebrate the vital contributions of locally owned independent businesses.

To show your support and honor to local business owners' remarkable contribution to the places we call home, we ask you to issue the attached proclamation, officially declaring June 30-July 6, 2014 as "Independents Week" in Santaquin. Please reply to Katherine Westmoreland at Katherine@localfirst.org or 503-789-2989 regarding your plans so that we may alert the press about your proclamation. Thank you for considering our request.
